

Sanctuary Retreat Mission Beach

72 Holt Rd Garners Beach, Mission Beach, Queensland 4852

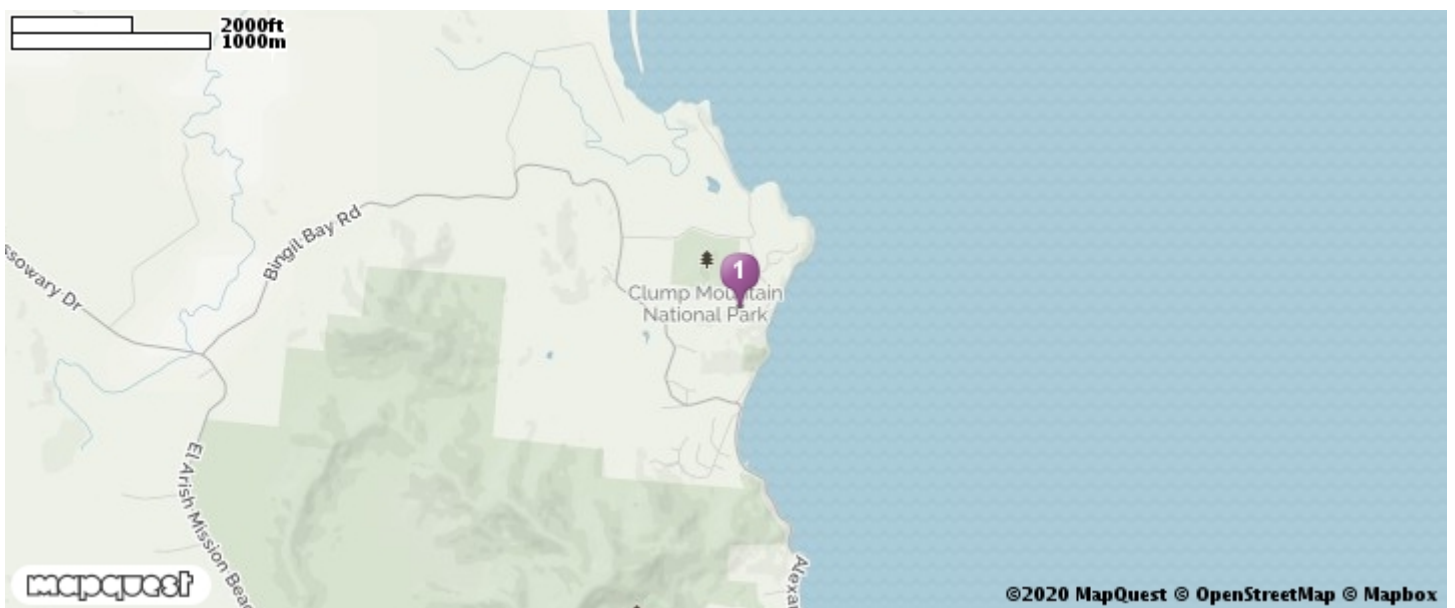

-17.8224994, 146.0985347

Sanctuary Retreat is an affordable and unique rainforest eco-lodge and yoga retreat in Mission Beach, North Queensland, Australia, half way between Townsville and Cairns. An adventurous destination for the physically active who seek a natural environment as well as the creature comforts of life. Shouldn't you be seeking Sanctuary? Secluded beaches meeting the Great Barrier Reef: 50 acres of lush tropical private rainforest. Secluded rainforest cabins and huts. Adults only. Massage. Delicious cuisine (vegetarian and raw a specialty). Swimming pool in the rainforest. Access to a near private secluded beach. Yoga retreats. Bird watching and creatures. Amazing views and an unspoilt paradise. Probably the best place in Australia to see a Cassowary in the wild. Free WiFi.
